2. Should a circumstance arise where Color Corps members in regalia are present where Third Degree members in suits are using the Ceremonial Baldric, care should be taken to keep the Color Corps members separate from the members in the Ceremonial Baldric.
3. This policy must be followed and enforced by respectful fraternal correction.
4. Continuing violations of this policy shall be addressed accordingly from the local level up through the chain of command.
5. As district and provincial leaders, please distribute to your assemblies.
